FINANCIAL POLICY (Please Read Carefully)

Ada West Dermatology is committed to providing quality medical services at reasonable cost. In order to ensure effective communication between you and our practice, we have adopted the following financial policy. If you have any questions concerning this policy, please discuss them with our billing department.

Patients *with insurance coverage* are ultimately responsible to understand the specifics of their individual insurance policies. The patient retains ultimate responsibility for financial charges. Please contact your insurance company at the phone number provided on the back of your insurance card for your policy details.

Patients *without insurance coverage* are ultimately responsible for financial charges. We require payment of services prior to the visit and/or procedure.

We may provide services in our facility, such as blood work or pathology, that are sent to outside sources. If your insurance requires specific providers of service to be used, or if you have any questions regarding the cost of service, please notify a staff member before services are rendered.

We require payment of co-payment, deductibles and co-insurances at time of visit and/or procedure upon check-out. If this is not possible, please discuss this with our billing department before services are rendered. If you are unable to make your payment at check-in, you may be asked to reschedule your appointment.

I understand and agree that I am responsible for payment of all charges, including those not paid by my insurance, in a reasonable time. Small balance credits of less than \$1.00 will be written off of my account. Unpaid balances over 30 days will accrue 1.5% interest monthly.

Please provide a current copy of your insurance card. If proof of insurance is not provided, you will be required to make payment in full.

If there are any questions or concerns about cost of services, please ask to speak with a member of our billing department. We are very sensitive to your individual financial constraints. If necessary, we encourage patients to contact our billing department to arrange an acceptable payment schedule.

PLEASE NOTE: An outstanding balance greater than 90 days will be sent to an outside agency for collections.
